## SPEAKING OF CALENDARS

How many times have you planned a conference to find that another department has also reserved the cardroom for the same day? Or your program does not get announced in ON THE GREEN because you missed the deadline?

Sound familiar? Well, the Office of Alumni and Public Relations hopes that we can help you avoid some of these frustrations as well as make sure we are informed about events on campus.

Starting immediately, we will maintain a calendar of events. Please call us as soon as you know you are planning a program -- big or small -- or you are helping an outside group plan a program which will utilize College facilities.

Please help us keep the lines of communication open. Give us a call at 741 (voice) or 480 (TTY).
